

All Kids

- Regular size backpack containing an extra set of seasonally appropriate clothes and socks
- Extra underwear, a change of clothes, and/or pull-ups/diapers
- Lunch (*Cannot require heating at school, please include necessary utensils*)
- Drink (*Sippy cup preferred--water or juice bottles with screw on lids tend to spill more frequently*)

Ones

- Diaper bag/Backpack
- Diapers (can leave a stash in the classroom if you prefer)
- Wipes (if prefer a certain brand. Otherwise, Happy Day will provide SAM's brand)
- Diaper cream/ointment (to leave in classroom if you prefer that we use that during the diapering process)
- Closed-toe shoes that fit well and stay on feet. This makes it easier for the kids to play.
- Food, spoon and bib
- Pacifier (if child prefers that)
- Blanket (clearly labeled with child's name, if child prefers for nap time)

Twos

- Diapers or pull-ups, whichever your child is using.
- Wipes (if prefer a certain brand. Otherwise, Happy Day will provide SAM's brand).
- Nap mat cover (optional)--to be taken home daily.
- Blanket (If your child prefers. Clearly labeled with child's name).

Threes & PreK

- We recommend closed-toe shoes for the 3s and Pre-K class. Our outdoor playground is covered with pea gravel and the kids get disappointed when they spend the whole play time dumping rocks out of their shoes.
- Girls: Please wear bloomers or shorts under dresses & skirts
